For Faculty Board Rep

Why me?

- Enthusiastic
- Organised
- Communicative
- Hard-working
- Have 3 years of experience of MML student issues
- Am easy to talk to about MML related problems
- Have lots of ideas about how to make the MML faculty (even) better!

What would I do?

- Propose to have an introductory lecture about how to reference in long essays and dissertations – rather than just being penalised for not knowing how to!
- Suggest setting up a language exchange programme with incoming Erasmus students
- Propose beanbags in the MML Library – like in the English Faculty
- Increase publicity of Faculty funding for trips
- Represent you all to the best of my ability
- Listen to your feedback and make sure that your voice is heard by the Faculty board
