November 2020

The editors are pleased to announce the **call for the thirteenth volume** of the Cambridge Occasional Papers in Linguistics. For aims, scope, and submission requirements not covered in this call, please refer to the [COPiL homepage](#).

The editors welcome submissions of full research papers (10,000 word limit, excluding references) and squibs (3,500 word limit, excluding references). Submissions are open to all members of the University of Cambridge. We especially encourage submissions from previously underrepresented areas, e.g. phonetics, pragmatics, language acquisition, computational linguistics, language contact, etc.

We encourage MPhil students, PhD students, and researchers to submit their work. Note all graduate students should have their submissions pre-approved by their supervisor(s).

We strongly encourage the authors to submit their manuscripts in `.tex` (L<sup>A</sup>T<sub>E</sub>X) format with a separate `.bib` file containing the bibliography. Word (`.doc/.docx`) submissions will also be accepted. Formatting guidelines can be found [here](#).

The deadline for submissions is **26th February 2021**.

Please send your submissions or any queries to the COPiL team ([copil@mll1.cam.ac.uk](mailto:copil@mll1.cam.ac.uk)).
