

COP*i*L

CAMBRIDGE OCCASIONAL PAPERS *in* LINGUISTICS

Section of Theoretical & Applied Linguistics
UNIVERSITY OF CAMBRIDGE

January 2023

The editors are pleased to announce the **second call for the fifteenth volume** of the Cambridge Occasional Papers in Linguistics. For aims, scope, and submission requirements not covered in this call, please refer to the [COPiL website](#).

We welcome submissions of full research papers (10,000 word limit, excluding references) and squibs (3,500 word limit, excluding references). Submissions are open to all members of the University of Cambridge. We especially encourage submissions from previously underrepresented areas, e.g. phonetics, pragmatics, language acquisition, computational linguistics, language contact, etc.

We encourage MPhil students, PhD students, and researchers to submit their work. Note all graduate students should have their submissions pre-approved by their supervisor(s).

We encourage the authors to submit their manuscripts in `.tex` (L^AT_EX) format with a separate `.bib` file containing the bibliography. Word (`.doc/.docx`) submissions will also be accepted. Further information, including the L^AT_EX template, can be found [here](#).

The deadline for submissions has been extended to **the 23rd of February 2023**. If you are interested, even if you are unsure if you can make the deadline, please send us a statement of interest.

Please send your submissions or any queries to the COPiL team (copil@mml1.cam.ac.uk).
