**DEADLINE FOR APPLICATION: WEDNESDAY, 1 MAY 2019**

*Statutes and Ordinances, 2018, p. xxx (TBC) (Please see below)*

The Managers of the J. B. Trend Fund give notice that they are prepared to consider applications for grants, to enable Undergraduates and registered Graduate Students to visit any country where Spanish or Portuguese has official status, in order to study the language, literature, history, or music of the countries of their choice during the academic year 2018-2019 (i.e. for trips taking place between 1 October 2018 and 30 September 2019).

Candidates for the B.A. Degree and registered Graduate Students are eligible to receive a grant provided that they intend to make use of it before they complete the examination requirements for the B.A. Degree or before they submit their dissertations, as the case may be. Please note that as funds are limited, priority will be given to travel undertaken by undergraduate students during the first or second year of their B.A. Degree.

Applications should be accompanied by a statement of purpose of the travel (250 words), the length of stay, costs of travel and subsistence, course expenses (if relevant), and estimated contributions from elsewhere. Total expenses minus funds applied for elsewhere must be clearly stated.

Applications (by post to the Spanish and Portuguese Section address or by email) must be submitted through the candidate's Director of Studies or Graduate Student Supervisor, who should supply a concise but detailed statement of support, to the Director of the Spanish and Portuguese Section, Modern and Medieval Languages Faculty, University of Cambridge, Sidgwick Avenue, Cambridge CB3 9DA, so as to reach the Section office not later than Wednesday, 1 May 2019, and should be clearly marked "J.B. Trend Fund". Electronic submissions are welcome and should be sent to the Section email: [spanport@mml.cam.ac.uk](mailto:spanport@mml.cam.ac.uk)

Grants will be awarded not later than the last day of the Easter Term 2019 and payment will be made only on receipt of a complete claim form (to be supplied by the Section to those awarded a grant) and of relevant receipts to at least up to the amount awarded.
